WORK EXPERIENCE

Jan 2026 - May 2026

Junior Web Developer, Construction Professionals Malaysia | Sungai Petani, Kedah

- Designed, developed and maintained the company website using WordPress (Breakdance Builder) with a focus on responsive design, SEO optimization and performance improvement.
- Maintained cross-platform mobile applications using Flutter for Android and iOS platforms, including UI enhancements, feature implementation, bug fixing and application testing.
- Implemented content updates and UI/UX improvements to maintain a consistent user experience across digital platforms.
- Performed WordPress security maintenance, malware cleanup and website recovery after phishing redirect attacks and malicious script injections.
- Removed unauthorized code injections from WordPress files to restore website stability and security.
- Conducted troubleshooting, backup restoration, plugin checks and security hardening to improve website reliability.
- Designed digital assets including banners, brochures and promotional materials to support branding and marketing activities.

May 2025 - Jan 2026

Program Executive (Digital Media), Mega Jati Academy Sdn Bhd | Shah Alam, Selangor

- Managed and updated corporate website content using Wix CMS, improving content accuracy, accessibility and overall presentation.
- Assisted in maintaining mobile applications using Flutter, including content updates, functionality testing and troubleshooting support.
- Designed digital marketing materials including posters, brochures, banners and promotional assets for training programs and corporate communications.
- Coordinated with trainers and stakeholders to gather digital requirements and program-related information.
- Supported technical documentation and digital content preparation for HRDC grant submissions and compliance processes.
- Familiar with CIDB systems, registration workflows and compliance-related submissions.

Oct 2024 - Jan 2025

Shopify Web Developer Intern, Homy Villa (Borneo) Sdn Bhd | Kuala Lumpur

- Developed and maintained e-commerce platforms using Shopify Plus.
- Customized and updated website layouts using WordPress (Elementor) and Shopify themes.
- Assisted in Shopify POS integration with online store databases and operational workflows.
- Performed UI/UX improvements, content management and website maintenance.
- Supported marketplace setup and e-commerce operations for online sales platforms.

PROJECT
